Recessed Wall Point with Built in Cable Management System (Black)
04MM-RP03

Matchmaster
TV Reception Systems
For the Best

The 04MM-RP03 is a recessed wall point with an integrated brush plate and single gang outlet for cable management and fit-off. Black in colour, the RP03 is perfect for blending into your theatre rooms and any other location where blackout is required. Matchmaster's recessed wall point is simple to use with its cut-out template provided and the smart folding wall clips to lock the unit in place quickly. The RP02 is perfect for housing outlet plates such as power, TV, AV, data points and all general purpose outlets. In addition, it is ideal for use behind kitchen appliances, A/V cabinets, flat-screen TVs, bedroom furniture, and any appliance placed flush against the wall.
