CEF40-WE

Ductable Ceiling Exhaust Fan, Centrifugal

Our CEF range offers stylish solutions for when design is imperative. With small and large models to suit your needs, this range of exhaust fans offers a minimalist aesthetic that will blend into your home. These fans can either be ducted or left open, depending on the building requirements of your local area, and come with a plug and lead.

Features

- Suitable for ducting (150mm).
- Round body for easy installation.
- Slimline profile for modern interiors.
- Fitted with Plug and Lead.

Applications

- **Residential:** Bathrooms, toilets, laundries.
- **Commercial:** Bathrooms, toilets.
