

Cavity Rod 4 Metre Glow In The Dark

Item Code: 3020010

Part Number: AMPCR4GID

Glow in the Dark Cavity Rod. Cavity rods - also known under a variety of terms including fish tape, fish rod, cable fish, and yellow-tongue - are non-conductive rods used for cable pulling & cable fishing. The Ampere CR4GID is a light and flexible nylon rod in safety yellow that glows in the dark. Ideal for guiding cable through inaccessible areas.
