S-Click™ Accessories

The S-Click™ Accessories are a range extension, made to compliment the large spectrum of S-Click™ Switches, Timers and Dimmers.

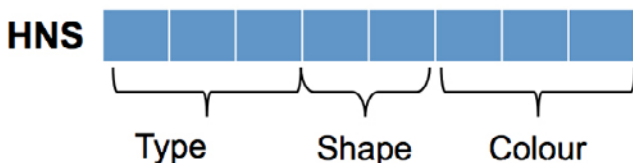

The extensive range of accessories includes various Knobs, Buttons and Bezels, all available in packs of 10.

Also there are Capacitor and Resistor Packs, that can fix certain technical problems.

The range of products are ideally aimed at Property Developers, Electrician's, Electrical Wholesalers and Contractors. The aftermarket accessories come in many combinations of popular brands, styles and their colours. Not every single combination is supported, so please check the table.

The table below shows the designation of S-Click™ codes, combined to make the product part number:
