

Secor® Alarm

Where quality, price and service ALL count

- Field Proven High Quality
- Competitive Price and Reliable Service

WPO6 Combo Siren/Strobe (outdoors) with or without internal backup battery

- High quality siren and high-intensity Led built in
- PCB double side conformal lacquered - resistant to corrosion and electric leak
- High quality UV stabilised case
- Weather proof
- Front and back tamperers
- Independent siren/strobe operation
- Patented

Voltage:	12VDC
Siren Current:	200 mA
Strobe Current:	50 mA
SPL:	105dB/m
Size:	202(L) x 112(W) x 70mm(H)

WP18 Super Combo Siren/Strobe (outdoors)

- Large size giving a distinctive warning
- Twin piezo giving 116dB/m
- PCB double side conformal lacquered - resistant to corrosion and electric leak
- High intensity LD
- Quality micro switch used as tamper switch
- UV treated ABS case

Voltage:	12VDC
Strobe Current:	50 mA
Twin Piezo Current:	550mA
SPL:	116dB/m
Size:	280(L) x 160(W) x 62mm(H)

WP95 Camouflaged Combo Siren/Strobe (indoors)

- High quality siren and blue strobe built in
- Aesthetic appeal
- Independent or combined siren/strobe operation

Voltage:	12VDC
Siren Current:	230mA
Strobe Current:	110mA
SPL:	100dB/m
Size:	122(L) x 73(W) x 45mm(H)

Piezo Siren (indoors)

WPO8 Top Hat Piezo

Voltage:	12VDC
Current:	110mA
SPL:	105dB/m

WPO5 Flush Mount Piezo

Voltage:	12VDC
Current:	9 0mA
SPL:	105dB/m
